AN ENCOURAGING DECISION.

The refusal of the Supreme Court of California to grant the murderer Kernaghan a new trial encourages the hope that the time is passing away on this Coast for red handed murders to fall into the arms of a fossilized Supreme Court for protection. The Post explains the matter as follows:

"The infusion of new blood into the Supreme Court has evidently had a wholesome effect. In its decision on the Kernaghan case the Court has displayed a broad common sense and a disregard of entangling technicalities that could hardly have been surpassed by a board of Laymen. The facts in this case were indisputable. There never was a more wanton or more revolting murder. No man has ever shown more clearly that the community would profit by his removal than Kernaghan has.

"It is especially gratifying to see that we have at last a Supreme Court which can look past trivial formalities to the essence of a case. Hereafter it will be possible to hang a murderer, even though an 'i' in the complaint may have been left undotted, or a 't' in the indictment uncrossed."

They Need Every Cent.

Reno, where there is such a boom and where everybody is making money hand over fist, has given \$300 to the victims of the Gould & Curry disaster and remarks that it will "make it \$1,000 if necessary." Carson, the place the Renosites say is a played out town, sent her \$1,000 at the start without asking if it were needed or not and hasn't got through yet.

Carson, so far has had the procession in raising money for the families of the unfortunate miners, and proposes still to lead it. The APPEAL respectfully informs the city of Reno that there is a thousand needed from that town and right away.

The sum of \$300 is not enough for such a big live, booming town as Reno. We hope Reno will make up the other \$700 at once, without stopping to ask questions. These widows and orphans need all they can get.

PACIFIC COAST ITEMS.

—Louis Nichol Aguste, a Frenchman at Merced, blew the top of his head off Monday.

—The man arrested at Seattle, W. T. for Pete Olsen has been discharged from custody.

—The Arizona Indian campaign is ended and the renegades are on trial for their lives at Prescott.

—Governor Stanford has not bought the Chino ranch in San Bernardino county, as was recently reported.

—Ladies of Santa Cruz have formed an Improvement Association, having the embellishment of the town for its purpose.

—Information has been received at Victoria, B. C., that the steeple chaser, which left Port Townsend for Alaska on May 18, 1886, never reached Port, but that her crew were murdered by the Indians of Knight's Inlet.

—A novel contest will soon take place at Los Angeles. O. W. Lunbar the well-known long-distance runner, is in training for a 9-mile and repeat race between himself and the racing ostrich "Boru" at Agricultural Park race track "Boru" it is stated, has taken part in several races of the kind in Africa, but this will be the first instance of the kind in America.

—A rather remarkable symptom of real estate fever is widely commented upon at Los Angeles. At 7 A. M. Wednesday, a sale will begin there of a large tract of land in San Gabriel Valley. At noon Monday men began to get into line for chances to get lots, and at 6 o'clock there were seventy two camping on the stairs leading to Armory Hall. They are there to stay till Wednesday morning.

—The Pioche Record says that Senator Poujade has returned to hard work, and is now polishing the head of a drill.

All of which shows that there is good stuff in Poujade.

AN OPEN LETTER.

SANTA CRUZ, Cal., June 3, 1887. Dr. Prentice, 626 Sutter street, San Francisco—My dear Doctor: Please allow me to congratulate you (as well as myself, on the success of your treatment in my case. As I told you when we first met, two months ago, I had suffered untold agony for 21 years with the piles, often being unable to perform any manual labor for weeks at a time, being compelled to resort to morphine to deaden the pain. Life seemed a burden and hardly worth living, the constant pain and irritation driving me nearly crazy, after trying many remedies without any permanent relief. I happened to see one of your advertisements and concluded to try once more, and thank the good Lord and Dr. Prentice, I am now a well man and again life seems worth living. I should be glad if some of my suffering friends of Norwalk, Florida, and Snowhagen Maine, could be treated by you. Yours with high esteem, R. B. WILLIAMS. P. S.—At present I can be found at Spaulding's Saw Works, 17 and 19 Fremont street, San Francisco.

DEAFNESS.

To those suffering with deafness; 165 liberated souls have been able to hear the voices of their fellow men.
